

Update on the First Lord's Table and mini conference in Lisbon, Portugal October 1 – 2, 2022

It was with great joy that 195 saints from 26 countries gathered in Lisbon, Portugal to partake of the first Lord's Table. For many years saints have been praying for the establishment of a lampstand in this capital city. Over the last several years, saints have been gradually migrating to the greater Lisbon area, mainly from Brazil, Mexico, and the United States.

195 saints from 26 countries participated

The table meeting was held in the context of a three-message mini-conference concerning “The Need for a Fresh Vision of the Lord's Recovery”. In these three messages, the saints enjoyed speaking focused on 1) God's Will, Satan's Strategy, and the Lord's Recovery; 2) Christ in the Divine Economy; and 3) The Genuine Ground of Oneness—the Ground of the Church; Prophecy: The Function of the Overcomers.

We are grateful to the Lord for this display of the one Body of Christ. We pray for a healthy future for the church in Lisbon, as well as for the spread of the Lord's testimony in Portugal, the Iberian Peninsula and throughout Europe, that the Body of Christ may be built up to hasten the Lord's return.

“But to Him who is able to do superabundantly above all that we ask or think, according to the power which operates in us, to Him be the glory in the church and in Christ Jesus unto all the generations forever and ever. Amen.” (Eph. 3:20-21)
